## EXPERIENCE

### App Developer Intern

#### Skill Vertex

Sept 2024 – Oct 2024    Remote

- I chose to do an internship in Flutter and Web Development. I worked on a project that involved creating a responsive website for a company called Skill Vertex. I also worked on a project that involved creating a responsive mobile application for a company called Skill Vertex.

### Full Stack Web Developer Intern

#### Adaovi

Jan 2025 – Jan 2025    Remote

- At Adaovi, I completed an internship focused on a Full Stack Web Development project. During this time, I gained practical experience using Next.js for the front end and Node.js for the back end. I also developed a strong understanding of RESTful APIs and their application in retrieving data from the back-end.

### Full Stack Web Development Intern

#### Tripletsoft Software Solutions Pvt. Limited

July 2025 – August 2025    On Site

- Working as a Full Stack Web Developer Intern at Tripletsoft Software Solutions Pvt. Limited, you are actively involved in building and maintaining both the client-side and server-side of web applications. This role encompasses developing user interfaces, managing databases, writing server-side logic, and integrating APIs to create comprehensive digital solutions.
